

Pope HS - AP Registration 2017

Helpful Hints

In the past, we have had a bubbling session where students bubble in all of their information. We are no longer doing this. It is now computerized. It is very important when registering that you are very careful and submit accurate information.

- AP Exams – May 1st – 12th
- Registration Period – January 5th – February 10th (no late registration will be allowed)
- Please do NOT wait until the last minute. You may experience difficulties and need some assistance to complete your registration process.
- It would be helpful if you printed these pages out prior to logging on to the registration website.
- Before you begin, please have your credit card available.
- Both student and parent/guardian should be present to fill out the accurate information.
- FYI – Student ID is your Pope ID (lunch code, computer code, etc.)
- Please write down your password and keep in a safe place!

Student Search Service

Colleges and scholarship programs may request your information to inform you of educational Opportunities and financial Aid.

* Would you like the College Board to supply your information? Yes No

Recommendation:

NO – 9th, 10th – too early to start receiving information?

NO – 12th – too late to start receiving information?

YES – 11th – just the right time to start receiving information?

Some people view this as “junk mail.” If you want information, say yes. If you don’t want information, say no.
