

Pope HS - AP Registration 2018

Helpful Hints

In the past, Pope has held bubbling sessions where students bubble in all of their information. We are no longer doing this. Registration is now computerized. It is very important that you are very careful and submit accurate information when you register for your AP exam(s).

- AP Exams – May 7th – 18th
- Registration Period – January 4th – February 9th (NO late registrations will be allowed.)
- Please do NOT wait until the last minute. You may experience difficulties and need some assistance to complete your registration process.
- It would be helpful if you printed these pages out prior to logging on to the registration website.
- Before you begin, have your credit card available.
- Both student and parent/guardian should be present to fill out accurate information.
- FYI – Student ID is your Pope ID (lunch code, computer code, etc.)
- Please write down your password and keep in a safe place!

Student Search Service

Colleges and scholarship programs may request your information to inform you of educational Opportunities and financial Aid.

* Would you like the College Board to supply your information? Yes No

Recommendation:

NO – 9th, 10th – too early to start receiving information?

NO – 12th – too late to start receiving information?

YES – 11th – just the right time to start receiving information?

Some people view this as “junk mail.” If you want information, say yes. If you don’t want information, say no.
